Important Safety Information

⚠ WARNING

FAILURE TO READ AND FOLLOW THE SAFETY INSTRUCTIONS STATED IN THIS USER GUIDE MAY RESULT IN POSSIBLE SERIOUS INJURY OR DEATH.

1) **BEFORE EACH use, visually inspect the equipment. NEVER use this equipment if it is not working properly or if there are damaged or worn parts.** Call our Customer Service Department with any questions.

2) **CONSULT your physician before starting this or any other exercise program.**

Fitness training can result in **SERIOUS INJURY OR DEATH**. Risk of injury can be lessened when safe techniques and common sense are practiced. **Before beginning your first workout, become familiar with the Perfect Ab-Crunch and review all exercise guidelines prior to using the equipment.** Your physician should assist you in determining the target heart rate zone appropriate for your age and physical condition. Certain exercise programs or types of equipment may not be appropriate for all people. This is especially important for people over the age of 35, pregnant women, or those with preexisting health problems or wrist, elbow, shoulder or other joint and/or muscle impairments. **If you are taking medication that may affect your heart rate, a physician's advice is essential before use of this equipment.**

3) **DO NOT** use if you are over 300 lbs/136 kg

4) **USE on a non-skid surface ONLY. DO NOT use on surfaces such as tile, linoleum or on surfaces that are wet such as a pool deck. DO NOT sit on product.**

5) **DO NOT overexert yourself with this or any other exercise program.** Listen to your body and respond to any reactions you may be having. You must learn to distinguish "good" pain, like fatigue, from "bad" pain, which hurts. **IF** you experience any pain or tightness in your chest, an irregular heartbeat, dizziness, nausea or shortness of breath, **STOP** exercising at once and consult your physician immediately.

6) **IT IS strongly suggested that handicapped or disabled people have medical approval** before using this equipment and should be under close supervision when using any exercise equipment.

7) **WARM UP** before any exercise program by doing 5 to 10 minutes of gentle aerobic exercise, such as walking, followed by stretching.

8) **START OUT slowly and progress sensibly.** Even if you are an experienced exerciser, start with the easier modifications of the exercises and become familiar with all of the exercises before moving on to more advanced modifications.

9) **BREATHE naturally**, never holding your breath during an exercise. Avoid over training, you should be able to carry on a conversation while exercising.

10) **USE this equipment ONLY for the intended use as described by the manufacturer. DO NOT modify the equipment or use attachments not recommended by the manufacturer.**

11) **HAVE plenty of clearance space.** It is important to keep children, pets, furniture and other objects out of the way when using your equipment. You should have a minimum of 3 feet of clearance space to avoid unnecessary physical contact.

12) **WEAR appropriate clothing when exercising.** Clothing should be comfortable and lightweight, and should allow freedom of movement. Wear comfortable athletic shoes made of good support with non-slip soles, such as running or aerobic shoes.
